SAMMY THE STEAM ENGINE

1. Sammy the Steam Engine was very happy! The Railway Controller himself was taking a ride on Sammy today!

2. But, as Sammy chuffed along, he heard the Controller talking! 'Sammy is getting old and worn out! I'll have to replace him with a new engine!' said the Controller.

3. Sammy puffed to a halt. 'I'm not moving 'til you take that back!' hooted Sammy.

4. The Controller thought for a moment, then said -- "I can't keep you on, Sammy! You're too old and slow! But I can offer you a new job!"

5. 'You'll have to start at the bottom, but you'll end up going all over the world!' said the Controller. Sammy was excited by that idea, so he set off happily again.

6. But their destination was a scrap-yard! And the Controller had Sammy lifted into the furnace to be melted! 'You cheat!' wailed Sammy!

7. Sammy was melted down, and the metal from his body was used to make something new. So the Controller wasn't lying, after all!

8. Now there are lots of Sammy the Safety Pins all over the world ... and Sammy knows what the Controller meant by 'starting at the bottom'!

IMPORTANT WARNING FROM MARY LIGHOUSE ABOUT...

THE EFFECTS OF READING OINK!

I've taken over this page to let you know what could happen if you keep reading this warped rag! You've only got yourself to blame if you don't take heed!

1. This reader developed a fondness for mouldy banana-skins and cod-heads after reading 'Rubbishman'. He's never 'bin' the same since.

2. Here we see the sad effects of a 'Harry the Head' fan trying to look like her hero. Her attempt at detaching her bonce failed miserably ... She shouldn't have stuck her neck out!

3. This 'Greedy Gorb' fan imitated his hero and ate a double-decker bus! He now works as a stand-in for Bernard Manning ... what a horrid fate!

4. This reader actually believed he was HANDSOME after comparing himself to Horace Ugly-Face. A sympathetic psychiatrist might help ... but they all burst out laughing when they see him!

5. This reader thought he could remove his brain without ill-effects, just like 'Burp' can. At least he's got a job now ... as a DJ, on Radio One!

6. This poor girl became a gibbering loony by imitating Mary Lighouse, and ... erk! How did this get in here? That Pigg's been playing tricks on me again! Gaagagh!

FIVE LITTLE ALIENS

A COUNTING GAME
FOR YOUNGER READERS

FIVE little aliens on a see-saw, one got eaten by a gronkle-beast,
and that left FOUR.

FOUR little aliens going home for tea, one got blown to smithereens,
and that left THREE.

THREE little aliens going to the loo, but one toilet was booby-trapped,
and then there were TWO.

TWO little aliens eating currant buns, but one bun was poisoned,
so that left ONE!

ONE fat alien feeling like a winner – he's got rid of all his mates,
and scoffed all their dinner!

CALL TO BAN KIDS' COMIC!

by Janette Wally

LEADING Portsmouth citizen Mary Lighthouse today called for the best-selling comic 'Oink' to be banned.

The comic also encourages rudeness towards elders,' said Mrs. L. 'I was hitting a boy over the head with my broom to

RUDE NOISE

When we asked "Oink" editor Mr. Pigg for a comment, he said: 'PAAAAAARRRRP!'

A typical strip from 'Oink', the comic that Mrs. L. says encourages vandalism. 'I've seen children deliberately smash their piggy-banks to buy the next issue,' she droned.
